

Dear Realtor® Association Members,

I am aware that real estate activities have been listed under the essential services in the Governor's Stay at Home Order. However, concern for open houses being held at this time in Columbiana County was brought to our attention. Since open houses can lead to many people congregating and or occupying an area in close quarters and encourage people to leave their home; we find such activities to be contradictory to the Governor's order. We are requesting no open houses be held while the Stay at Home Order is in place. If you have any questions or concerns, please give me a call or send me an email. We appreciate your cooperation in this matter.

Sincerely,

Kevin Summerville, RS
